A. R. B. NOTICE

No. 66

Issue 1.

1*st May*, 1966.

AIRCRAFT INSURANCE

1 Attention is drawn to the fact that when the Board's Test Pilots fly aircraft for any test purposes neither the Board nor the Board's Test Pilots accept responsibility for any damage to the aircraft or to Third Parties or to any person or property whatsoever.

2 All owners are, therefore, required to ensure that Insurance policies covering damage to their aircraft and to third parties are suitably endorsed to cover flights by the Board's Test Pilots.

NOTE : The Board understands that in general Insurers and Underwriters are willing to extend the cover of their aircraft policies for this purpose on request and without further charge.

3 **Cancellation** This Notice cancels Notice to Licensed Aircraft Engineers and to Owners of Civil Aircraft No. 66, Issue 1, dated 5th February, 1963, which should be destroyed.
